

For hospitals, clinics, primary care practices, diagnostic centers, outpatient surgery centers, and day clinics

Estimate your individual accreditation fee in only 2 steps!

1. Quality in Outpatient and Ambulatory Care

STEP 1: Select the accreditation program for your organization by confirming that you satisfy the program’s prerequisites

Prerequisites for accreditation “Quality in Outpatient Care – Ambulatory Care including Cosmetic, Plastic, and Reconstructive Surgery”:

- Your services are restricted to day surgery and/or procedures that do not require more than one overnight stay.
- Conduct business as a **licensed** healthcare provider in your country for at least one completed financial year.
- Manage medical and non-medical services with a **Continuous Quality Improvement** system.
- Your organization’s practices are in accordance with **international standards of medical ethics**, as stated in the World Medical Association (WMA) International Code of Medical Ethics.

PLEASE NOTE: If your services include more than one overnight stay or if you offer inpatient services, your organization will be considered to be a secondary care hospital.

If you have ticked all 4 boxes, you are eligible to apply for “Quality in Outpatient and Ambulatory Care” accreditation. If not, please contact us to review your options.
